This post is a review of Bachelor Pad Economics by Aaron Clarey. The book caught my eye for 2 reasons: 1. I have a bachelors degree in economics 2. It was the top book on Amazon under the "Customers also bought" section for my latest book (The Book of Alpha)in the first chapter Aaron shares the 3 key principles the book resolves around.

**Bachelor Pad Economics (Book Review) | How to Beast**  
Bachelor Pad Economics takes things in a very different direction. Instead of telling you to do what society expects, Clarey recommends that men do what they want. Additionally, he provides the means to do it. There's a section on entrepreneurship where the book discusses the advantages of being self employed.
