BULLET PARK works best for completionists Set in the late 1960's at the height of the "God, how I hate Suburbia" trend in American letters, it alternates between oddly shafted suburban satire (a French teacher has a sexy mouth because of working through "strenuous French vowels"), and implied violence, but despite its title, most of BULLET PARK ...

Bullet Park by John Cheever - Goodreads

Welcome to *Bullet Park*, a township in which even the most buttoned-down gentry sometimes manage to terrify themselves simply by looking in the mirror. In these exemplary environs John Cheever traces the fateful intersection of two men: Eliot Nailles, a nice fellow who loves his wife and son to blissful distraction, and Paul Hammer, a bastard named after a common household tool, who, after half a lifetime of drifting, settles down in *Bullet Park* with one objective—to murder Nailles's son.

Bullet Park book by John Cheever - ThriftBooks

Bullet Park was the first work by John Cheever of which I was made aware, the first in which I was alert to the author as a particular person with a style and set of interests. This was in a high school creative writing class, by which I mean boarding school, citadel of privilege in the Northeast, among the children of a Cheeveresque social stratum.
