Discussion Papers - A network of over 1300 economists ...

EAG discussion papers and journal publications are the primary vehicle used to disseminate research from economists in the Economic Analysis Group (EAG). Many research ideas are inspired and informed by investigations in specific industries. Often these cases raise new issues or include novel settings for existing issues that expose shortcomings in the existing literature and inspire creative thinking to advance our understanding.

Discussion Papers | Cowles Foundation for Research in ...

Discussion papers differ from standard working papers in that they are more broadly accessible and offer a more balanced perspective. While partly based on original research, they place the analysis in the wider context of the literature on the topic and also explicitly consider the policy perspective.
