Do You Have The Guts To Take This At-Home Stool Test?

Do a Google search for resumes, and see how many of these you see come up over and over and over again. It's almost comical, because it's no secret that not every candidate holds all of those qualities, nor does every job require all of those qualities, but such buzzwords have become as expected as the resume format itself.

Do You Have The Guts?

To be successful, a business owner has to have some key traits, and one of those things is guts. It's great to be your own boss, but running and growing a business is not for the faint of heart. An owner experiences long hours, long weeks, and extreme highs and lows, which requires some guts to stick it out.
