4.5 STARS I've had so much hype ever since A Heart of Blood and Ashes got on my radar. I'm always on the looking for an epic fantasy romance, and this one sounded so promising. Plus, I'd read Milla Vane years ago not just under her pseudonym Meljean Brook (The Iron Duke is still one of my favorite fantasy romances!), but also when she published a novella under MV in an anthology.

When I am laying in bed, I close my eyes and try to fall asleep. I get this weird feeling like my heart is stopping or has stopped for a second, and I jolt awake and my heart starts racing. This consistently happens every minute for about 2-3 hours before I eventually pass out. It is extremely terrifying.

At one point, I thought I heard voices, and I stopped dead. My heart was pounding so loudly that I was positive it could be heard, but the voices went away and I convinced myself it was the wind. After an hour or so of stopping and starting, the woods started to thin out and I saw I had come across a farm.
