In the 1940s and 50s reports of "flying saucers" became an American cultural phenomena. Sightings of strange objects in the sky became the raw materials for Hollywood to present visions of potential threats. Posters for films, like Earth vs. the Flying Saucers from 1956 illustrate these fears. Connected to ongoing ideas about life on the Moon, the canals on Mars, and ideas about Martian ...

Of Other World Essay And Story - aibschoo.edu

THE GREATEST trust between man and man is the trust of giving counsel. For in other confidences men commit the parts of life; their lands, their goods, their children, their credit, some particular affair; but to such as they make their counsellors, they commit the whole: by how much the more they are obliged to all faith and integrity.
