### Off The Road A Modern

The result is a comic yet sympathetic attempt to understand the vanishing role of religion in modern life. Off the Road is an unforgettable tour of the sites that people believe God once touched: the strange fortress said to contain the real secret Adam learned when he bit the apple; the miraculous chickens of the fourteenth century whose descendants still dance in the church of Santo Domingo; the sites associated with the murderous monks known as the Knights Templar; and the places housing ...

The SR300S is a perfect example; it's an off-road bike with a modern motor and an excellent price. The liquid-cooled 298cc motor isn't a copy of anything else. It's a carbureted SOHC six-speed that produces a claimed 30 horsepower. The 250 has a different chassis but similar components. Both have aluminum twin-spar frames.
