I've teamed up with Silhouette to create a pop up paper doll house that kids can design and accessorize to their hearts content and then bring with them to play with on the go. I use the term "kids" loosely, because I ended up having way too much fun with it myself. I did have to test out the first one after all.

Pop Up Paper Doll House – Free Cut Files!
The white paper inside is slightly smaller than the outer layer and contains the actual "pop up" or three dimensional elements of the card! Fold the white card stock in half. Starting on the fold cut three sets of cuts that extend about two inches into the body of the card. Do not cut these tabs off.
