The Soul's Upward Yearning: Clues to Our Transcendent ...

The materialist perspective has not only cast its spell on the natural sciences, psychology, philosophy, and literature, it has also enthralled popular culture, which offers very little to encourage the "soul's upward yearning".

The Soul's Upward Yearning: Clues to Our Transcendent ...

It shows that we are transcendent beings with souls capable of surviving bodily death; that we are self-reflective beings aware of and able to strive toward perfect truth, love, goodness, and beauty; that we have the dignity of being created in the very image of God.

The Soul's Upward Yearning: Clues to Our Transcendent ...

*Fr. Spitzer displays a broad range of arguments in favor of the reality and the compelling importance of the transcendent dimension of our existence on the basis of religious literature: our interior awareness of transcendent reality; the cosmic struggle between good and evil; metaphysics; our natural desire to experience perfect goodness, love and beauty; the evidence from near-death ...
