The illustrated version of The Flying Machine, drawn by Bernie Krigstein, was adapted from a text version of a short story written by Ray Bradbury that was originally published in a book called The Golden Apples of the Sun in 1953. The illustrated version, above, appeared in Entertainment Comics' Weird Science-Fantasy #23 in 1954.

The movie *Castle in the Sky*, from 1986, depicts a flying city named Laputa (resembling a vimana) that was created by an extinct civilization with god-like technology. The book *Pearl of Great Price*, from 1851, by the founder of The Church of Jesus Christ, mentions that Enoch built a fabulous [flying] city that was "taken up to heaven" by God.
