...

The War That Never Was details a technically deep story of a Third World War based on a 1989 scenario. Most action takes place outside of Europe, in places that books like Red Storm Rising and Ralph Peters' Red Army ignore. Technically deep, it covers individual ship actions, but not overwhelmingly so.

For the very first time, The War That Never Was tells the fascinating story of a secret war fought by British mercenaries in the Yemen in the early 1960s. In a covert operation organised over whisky and sodas in the clubs of Chelsea and Mayfair, a group of former SAS officers - led by the irrepressible Colonel Jim Johnson - arranged for a squadron of British mercenaries to travel to the remote mountain regions of the Yemen, to arm, train and lead Yemeni tribesmen in their fight against a ...

Clifton Webb stars as the British officer who comes up with the scheme of using "The Man Who Never Was" to trick the Germans into weakening their defenses in Sicily before the planned Allied invasion there. Webb gets to show flashes of his well-known screen sarcasm, but in general he gives a good low-key, all-business performance.
