Language, culture, and communication in contemporary Europe. [Charlotte Hoffmann.] -- This book offers a multidisciplinary approach to the consideration of aspects of Europe's linguistic and cultural heritage.

Language, culture, and communication in contemporary ...

Language and culture: It has been seen that language is much more than the external expression and communication of internal thoughts formulated independently of their verbalization. In demonstrating the inadequacy and inappropriateness of such a view of language, attention has already been drawn to the ways in which one's native language is intimately and in all sorts of details related to the rest of one's life in a community and to smaller groups within that community.
