Decide to survey the land yourself. Land surveying is a relatively difficult and time-consuming task, so expect to pay between \$350 and \$500, if not more, if you choose to have your land professionally surveyed. If you don't want to pay for this, you can survey the land yourself.

How to Conduct a Property Survey: 12 Steps (with Pictures)
Land surveyors became in demand during the Roman Empire due to huge expansion and a steady building schedule. In 1086, an important event took place. William the Conqueror ordered the Domesday Book, a record of landowners and the lands they owned and occupied. For this, the exact boundaries of personal properties were given more importance.
